Haggard-Keese.

On Wednesday, July 12, Mr. G. T. Haggard and Miss Addie Keese were married at the home of the bride's parents, Mr. and Mrs. Geo. W. Keese, at 8:30 a. m. Rev. W. B. Preston officiating. The wedding though very quiet was not a surprise to many friends.

The bride is one of the fairest and sweetest young ladies, who possesses many rare traits of character which endear her to a large circle of friends.

The groom is a leading business man of high intelligence and thorough quality and worth. The best wishes of a host of friends go out to them for a life of great happiness. Mr. and Mrs. Haggard left on the 9:50 T. & P. for San Francisco, California, via Denver, Colorado. They will be gone six weeks and visit many places before they return.

Little Misses Grace Haggard and George Keese will make the trip with them.

Cyclone Davis at Jefferson.

Hon. J. H. (Cyclone) Davis, of Sulphur Springs, was here Tuesday and made a fill-in date and spoke that night at the school auditorium. It was opened by songs from the little children, a prayer by Rev. J. Woodson then Mr. Davis spoke in his usual strong and forceful way. His argument and statements for Statewide prohibition were very convincing and unanswerable. He stated that he had been out on the field several weeks in nearly all sections of the State and that the news was good for victory for prohibition if the people who voted local option would see the good it had done for their section and vote for Statewide to benefit the State. Mr. Davis left here for Carthage to speak at a big barbecue.

Rev. H. J. Hayes, wife and children, left Monday morning for Normangee, where Mrs. Hayes will spend some time with her father, Rev. Frick and family for her health, while Mr. Hayes will go to Henderson to hold a week's meeting. During Mr. Hayes' absence his father, Rev. Wm. Hayes, and wife, of Nashville, Ark., will be here at the parsonage, on account of waiting for the completion of a new parsonage which is being erected for them at Nashville.

Instructions for Planting.

Since the corn crop is cut somewhat short, it is important to take advantage of a generous climate by planting all of the catch crops, such as peas, June corn, milo maize, etc., but especially plant a large turnip patch—one acre or more. Rake up all the lot scrapings and add to it a generous amount of commercial fertilizer, 2 or 3 hundred pounds, plow and harrow the ground until it is fine and smooth and the fertilizer well mixed with the soil, then plant as early in August as you can get a good season. Put the seed in deep, one or two inches, and roll or drag the land to make it retain its moisture enough to bring up the seed. Don't begrudge a little extra work, for this will be a valuable aid in fattening your hogs and feeding your cows, as well as supplying your table with useful food.

DAVIS BIGGS.

A False Report Corrected.

I find that some of the antis have industriously circulated the report among the colored voters of this and adjoining counties that if the amendment to the constitution carries, it will be almost impossible for them to get whiskey for medicine and if they are caught with any whiskey on their person or in their homes, they will be severely punished. Of course this statement is false in every particular, as the amendment will only prohibit the manufacture, sale, barter or exchange of whiskey or other intoxicants in Texas, except for medicinal, sacramental, or scientific purposes. In fact, makes no change in existing conditions where prohibition is already in effect and only stops the State from licensing saloons where they now exist. It seems to have been the studied purpose of the liquor advocates to falsify and misrepresent the real issue in this contest from start to finish. They realize that the only possible chance they have of success is to mislead the voters, who don't thoroughly understand the question. A cause that has to depend for success upon falsehood and misrepresentation is rotten to the core and unworthy of the support of decent voters, white or black.

The Band Festival.

The festival given Tuesday evening at the Pavilion for the benefit of the Jefferson Imperial Band was well attended, despite the rain in the afternoon. They played a number of nice selections at the opening of the festival and later for the dance. The Imperial Band does creditable work for a two month's-old band and great results are expected of them. Ice cream and cake was served during the evening. It was a very pleasant affair and some \$32.85 was realized for the benefit of the band. The money goes to make a payment on their instruments.

Union Prohibition Rally!

Sunday night, July 16th in Public School Assembly Hall.

Short, ringing addresses by representative citizens. T. D. Rowell, G. W. Brown, J. H. Rowell, Jr., S. W. Moseley and others will speak.

All our citizens, regardless of religious beliefs, or of political affiliations, are urged to take part in this Rally.

Officers Elected.

At the annual meeting of the Jefferson Farmers' Union Cotton Warehouse Co., the following officers were elected for the ensuing year.

Directors:—G. W. Grubbs, Davis Biggs, Jno. R. Grubbs, T. J. Rogers, J. H. Rowell, Sr., R. L. Knight and R. B. Walker.

Officers:—G. W. Grubbs, president; Davis Biggs, vice-president; R. B. Walker, secretary and treasurer.

In recent trips through the county filling appointments with county prohibition chairman W. B. Preston, we note that crops as an average are better than would be expected following the dry weather. While the corn crop is short yet one man in precinct No. 1, stated he would make 50 to 75 bushels to the acre; cotton crop is fine.

W. C. T. U.

The W. C. T. U. will meet at the Pavilion Thursday, July 20th at 3:30 o'clock.

A full attendance of members is urged, for there is much to attend to. Let every one interested come out.

Mrs. Hal Singleton, Recording Secretary.

Mims Chapel.

The drouth of nearly seven weeks was finally broken in this section by a very good rain Thursday night and we still hope to get more. Corn crops were almost ruined for the want of rain; cotton has been doing as well as could be expected, but gardens and other stuff have practically dried up.

Most of our community joined in an old-fashioned fish fry down on Big Cypress on the fourth, where we had a delightful time eating fish and making ice cream and lemonade. All seem to enjoy themselves, especially the little ones.

We learn that there was a darkey by the name of Earnest Hillman shot on the 3rd near Johnson's Mill by unknown parties who waylaid the road, but we learn later that he is doing very well and it is believed he will recover.

There was an ice cream supper given at the home of Mr. and Mrs. Henry Mims' last Saturday night and all present seemed to have a good time.

Our Sabbath school is progressing nicely and the attendance is better every Sunday and the young people are becoming interested in the lessons.

Mr. and Mrs. Ruby Smith, from near Gilmer, are the guests of Mr. and Mrs. Joe Wimberly now, but will return home in a few days.

The new R. R. near us is now being completed fast and will soon be ready to put down the ties.

Will close with best wishes for the Jimplecute and all its readers. Yours for prohibition.

E. J. MIMS.

To The Farmers.

After the rains, which have now been pretty general, it is very important to keep a soil mulch in the cotton and pea fields, and in fact, any crop that is still growing. Remember that the soil will lose more moisture in three days of hot, sunshine, where a crust has been allowed to form, than in three weeks, if the ground has been gone over rapidly as soon after a shower as it is dry enough to plow and a fine mulch of loose level soil is prepared, to hold the moisture beneath. Don't be in a hurry to lay by your crops. Often a large per cent of the yield is lost by so doing. Plow very shallow and often.

DAVIS BIGGS.

Attention! Children!

All children who will march and sing for prohibition on election day will please meet at the Assembly Hall each Monday, Wednesday and Friday morning at 9 o'clock for necessary practice.

You have done nobly in the past, helping rid Jefferson of saloons in one election and to keep them out in the other. Now, with hearts full of love for all Texas, sing and work to free our fair state of the liquor traffic. Come to the practices on time.

Presbyterian Church.

Regular services in the Presbyterian Church, Sunday morning, July 16th. No service at night. This church will join in the Union Prohibition Rally in Assembly Hall.

Opera House

Moving Picture Show Saturday night of each week. Benefit Jefferson Imperial Brass Band. Come out and help the boys.

Dance.

There was a dance given at the home of Mr. and Mrs. Fred Schellinger Thursday night July 6th, 1911, in honor of Miss Bertha Woods.

When nature appears in her grandest moods, her inspiration stirs the heart and the imagination, and whether it be in the ball room, or wheresoever it might, we felt that she was in one of her grand moods when we assembled in that ball room. Music has not failed to inspire the same sentiment in the hearts of those who were so fortunate as to participate in the pleasure of that evening.

The weather was threatening, yet it did not mar the pleasure of anyone. Each one was delighted with the refreshing shower, which aided in cooling the atmosphere.

Having had Miss Bertha in our midst for a length of time we were loth to part with her. By her charming manner she has made many friends and each one regrets her departure.

One of the strangest features of this party was that every time the music started there wasn't a vacant place on the floor. These that fortunately participated are as follows:

Messrs. Andrew Davis, Bob Coffman, Bandie Coffman, Foy McCann, Frank Carter, Hub Lee, Jim Hogg Stewart, Charlie Bennett, Davie Beal, Charlie Fason, Will Dugan, Hill Taylor, George Hileman, Hartsove.

Misses Bertha Woods, Nellie Schellenger, Carrie Davis, Pearl Coffman, Maggie Schellinger, Sallie Lindsay, Lillie Schellinger, Hattie Bennett, Lillie Hileman. Mr. Monroe Stone, Mr. Jim Davis and wife, Mr. and Mrs. Fred Schellinger.

When 2 o'clock came it only added shadows to the party, we knew we had to return home. "MIKE."

Married.

Mr. M. F. Chastine and Miss Dee Lea were married at Waskom at 7:30 Sunday afternoon.

The couple came to Jefferson and will make their home with Mr. Chastine's sister, Mrs. W. T. Williams, one mile south of the city.

The Jimplecute joins with friends in best wishes and congratulations.

Blackjack Academy.

July 10—We have had two fine rains and everything is growing fine. Cotton is putting out finely.

There was Bible reading by Mr. Slayter Sunday at 2 p. m. and Sunday school at 3 p. m. Next Saturday eve, prayer meeting—Sunday, Sunday school at 10 a. m. meeting at 11 a. m. X X X.

This section has had several good rains this week and the entire county has been benefited. This will help cotton and permit planting of much June corn, milo maize, potatoes and peas, also turnip patches.
